BACKGROUND

The San Joaquin Council of Governments (SJCOG) amended their Regional Transportation Improvement Program (RTIP) on October 28, 1999, to program \$725,000 for a noise mitigation project along Route 99 near the Roosevelt Elementary School in Stockton. This project was not involved with anything previously shown on the May 3, 1989 Retrofit Soundwall List.

This project will also reduce the \$1.2 million previously identified in the SJCOG RTIP as a soundwall reserve for the 2000 STIP.
